```
D          G                   D        G
I like the way your sparkling earrings lay
D            G       A7
Against your skin so brown.
D             G                 D             G
And I want to sleep with you in the desert tonight
D              G         A7
With a million stars all around.

CHORUS:
A7             G         G    D
'Cause I got a peaceful, easy feeling
G                           A7sus4  A
And I know you won't let me down.
           D  Em   G        A7     D
'Cause I'm already standing on the ground.

And I found out a long time ago
What a woman can do to your soul.
Ah, but she can't take you any way
You don't already know how to go.

CHORUS:

I get the feeling I may know you
As a lover and a friend.
But this voice keeps whispering in my other ear
Tells me I may never see you again.

CHORUS:
