

Come Around

Words & Music:
Rhett Miller

G D C Am | G D C

G D C Am
I'm dressed all in blue and I'm remembering you,
G D C
And the dress you wore when you broke my heart.
G D C Am
I'm depressed upstairs, and I'm remembering where
G D C
And when and how and why'd
Am C [*repeat Am arpeggio to C 5x*]
You have to go so far.

CHORUS:

G F C
Am I gonna be lonely for the rest of my life?
G F C
Am I gonna be lonely for the rest of my life?
G F C
I'm gonna be lonely for the rest of my life
Am C Am C
Unless you come around. So, come around.

I'm dressed all in white and I remember the night
You came on to me and opened up my heart.
I was hollow then, 'til you filled me in.
Now, I'm empty again. I should have never let it start.

CHORUS:

BRIDGE:

Em C
No one else can fix me; although sometimes my heart tricks me
G F C
Into thinking someone else will do.
Em C Am C [*Am to C - 5x*]
But you're the only one. You are the only one

CHORUS: [*3x last time, repeat "...so come around..." 3x*]

G D C Am
I'm dressed all in blue and I'm remembering you,
G D C G
And the dress you wore when you broke my heart.
