

# Crazy Love

Words & Music by  
Van Morrison

*[possible intro: G F#m Em A - don't really need it, though, just start right in]*

D F#m G D  
I can hear her heart beat for a thousand miles.  
And the heavens open every time she smiles.  
And when I come to her that's where I belong.  
Yeah, and I'm running to her like a river's song.

CHORUS:

D A/C# Bm7 A G A  
She give me love, love--, love--, love, crazy love.  
D A/C# Bm7 A G D  
She give me love, love--, love--, love, crazy love.

She got a fine sense of humor when I'm feeling low down.  
Yeah and I come to her when the sun goes down.  
Take away my trouble, take away my grief.  
Take away my heartache, in the night like a thief.

CHORUS: *[1x or 2x]*

BRIDGE:

A G D  
Yeah, I need her in the daytime.  
Yeah, I need her in the night.  
A G D Bm  
Yeah, I want to throw my arms around her  
Em G D A  
And kiss and hug her, kiss and hug her tight.

Yeah, when I'm returning from so far away  
She give me some sweet lovin', brighten up my day.  
Yeah, it make me righteous; yeah, it make me whole.  
Yeah, and it make me mellow down to my soul.

CHORUS: *[2x]*

*[last time, last chorus line chords are: D A/C# Bm7 A G D]*
