

# Easy Does It

Words & Music:  
Supertramp

          Dadd6(5)      D(10)   D(5)  
And if my thoughts--- had---- wings,  
I'd be the bird that sings,  
                  Em          A                  Em          A  
I'd fly where love isn't shy and everyone is willing to try.

And if we had the time,  
And time's so hard to find,  
I could believe what you say, start sending those shadows away,

                  G/D(7)          D(5)  
And if you know who you are,  
You are your own superstar,  
                  D7(7)  
And only you can shape the movie that you make,  
                  Em                  A                  Em          A  
So, when the lights disappear; and only the silence is near,  
                  Em  A  
Watch yourself; easy does it, easy does it, easy while you wake.

## INSTRUMENTAL VERSE

And if you know who you are,  
You are your own superstar,  
And only you can shape the music that you make.  
So, when the crowds disappear, and only the silence is here,  
Watch yourself, easy does it, easy does it, easy while you wake.
