Just like a	chi 1	d agai	n.						

Heaven can wait and all I got is time until the end of time. I won't look back, I won't look back, let the altars shine.

And I know that I've been released, but I don't know to where. And nobody's gonna tell me now, and I don't really care, no, no, no. I got a taste of paradise and that's all I really need to make me stay. I got a taste of paradise, if I had it any sooner, you know, You know I never would have run away from my home.

Heaven can wait and all I got is time until the end of time. I won't look back, I won't look back, let the altars shine. Heaven can wait, heaven can wait. I won't look back, I won't look back. Let the altars shine, let the altars shine.
