

I've Been Searching For So Long

Words & Music:
James Pankow (Chicago)

As my life goes on I believe somehow something's changed.
Something deep inside, ooh, a part of me.
There's a strange new light in my eyes; things I've never known.
Changing my life...changing me.

CHORUS:

I've been searching for so long to find an answer.
Now I know my life has meaning, ohhhh.

Now I see myself as I am feeling very free.
Life is everything, ooh, it's meant to be.
When my tears have come to an end I will understand.
What I left behind, part of me.

CHORUS:

CODA:

Searching (don't you know I'm...Hell, yeah!) for an answer.
To the question (oh, yeah) for our minds.
Baby, baby, it's true, it's only natural.
It's only natural baby, yeah.
Good things in life take a long time.
