Save Me

Words & Music:

```
   G         D/F#   Em7 D/F# G                 C       G/B     Am
It started off so well------, they said we made a perfect pair
  C         D         G           C
I clothed myself in your glory and your love,
      G/B             D
How I loved you, how I cried.
    Am          G/B C       Am                  C     G   D
The years of care and loyalty were nothing but a sham, it seems.

    C         D   G       C   G           C    G
The years belie, we lived the lie: "I'll love you 'til I die.
```

CHORUS:
```
D         A/C#      G   D                     E7     A    G
Save me!  Save me!  Save me!  I can't face this life alone.
D         A/C#      D  G  Gm   D           C   G    D
Save me!  Save me!  Save me!  I'm naked and I'm far from home.
```

The slate will soon be clean, I'll erase the memories.
To start again with somebody new, was it all wasted, all that love.
I hang my head and I advertise a soul for sale or rent.
I have no heart I'm cold inside I have no real intent.

```
    C         D       G         C         G       C    G
Each night I cry, I still believe the lie.  I'll love you 'til I die.
