

Total Eclipse Of The Heart

Words & Music:
Jim Steinman (Bonnie Tyler)

Bm A
Turn around, every now and then I get a little bit lonely and you're never coming round.
Turn around, every now and then I get a little bit tired of listening to the sound of my tears.

D
Turn around, every now and then

C
I get a little bit nervous that the best of all the years have gone by.
Turn around, every now and then

I get a little bit terrified and then I see the look in your eyes.

F Bb
Turn around, bright eyes, every now and then I fall apart.
Turn around, bright eyes, every now and then I fall apart.

Turn around, every now and then I get a little bit restless and I dream of something wild.
Turn around, every now and then
I get a little bit helpless and I'm lying like a child in your arms.
Turn around, every now and then I get a little bit angry and I know I've got to get out and cry.
Turn around, every now and then
I get a little bit terrified but then I see the look in your eyes.
Turn around, bright eyes, every now and then I fall apart.
Turn around, bright eyes, every now and then I fall apart.

F#m D E A
And I need you now tonight and I need you more than ever
And if you only hold me tight we'll be holding on forever.

F#m D E
And we'll only be making it right 'cause we'll never be wrong.

D E
Together we can take it to the end of the line.

F#m B
Your love is like a shadow on me all of the time.

A E/G#
I don't know what to do and I'm always in the dark.

F#m B
We're living in a powder keg and giving off sparks.

D B C#m D E
I really need you tonight, forever's gonna start tonight, forever's gonna start tonight.

A F#m C#m D A/C#
Once upon a time I was falling in love; but, now, I'm only falling apart.

Bm E A F#m D E
There's nothing I can do, a total eclipse of the heart.
Once upon a time there was light in my life but now there's only love in the dark.
Nothing I can say, a total eclipse of the heart.

A F#m D E
Turn around, bright eyes... *[repeat & out]*
