

# Wond'ring Aloud

Words & Music:  
Ian Anderson  
(Jethro Tull)

*[capo on the 3rd fret]*

C            Am            G            D  
Wond'ring aloud how we feel today.  
C                            Am            G            D  
Last night sipped the sunset my hand in her hair.  
C                            D                            G            D                            Em  
We are our own saviors as we start both our hearts beating life  
G            D  
Into each other.

Wond'ring aloud will the years treat us well?  
As she floats in the kitchen, the taste and the smell.  
Off toast as the butter runs,  
Then she comes, spilling crumbs on the bed,  
And I shake my head

                          Dm            C                            G            Em            D  
And it's only the giving that makes you what you are.
