

Bitterblue

(simple chords)

Words & Music:
Cat Stevens

C G Em F

C G
I gave my last chance to you; don't hand it back to me, Bitterblue, no, Bitterblue.
Yes, I've done all one man can do; don't pass me up oh Bitterblue, my Bitterblue.

D G C A D
'Cause I've been running a long time on this travelling ground.
Wishing hard to be free of going round and round.

D G C F C D
Yes I've been moving a long time, but only up and do--ow--wn.

I gave my last hope to you; don't hand it back to me Bitterblue, my Bitterblue.
I've done all one man can do; please help me lose this Bitterblue, my Bitterblue.

Cause I've been waiting a long time; aeons been and gone.
Looking at the horizon for my light to dawn.
Oh, yes, I've been living a long time, looking on and on.
I've been running a long time, summers come and gone.
Drifting under the dream clouds, past the broken sun.
Yes I've been living a long time to be back beyo--oo--ond.

I gave my last chance to you; don't hand it back Bitterblue, my Bitterblue.
I've done all one man can do, don't pass me up oh, Bitterblue.
My Bitterblue, Bitterblue.
I gave my last chance to you; don't hand it back to me Bitterblue.
