## Evil Ways

Words & Music: Sonny Henry

Verse vamp for nearly all the song is Am to D, unless otherwise noted. This is fully transcribed in the November-December 2008 issue of <u>Guitar Edge</u>. That version is Gm to C. Santana's version is most famous, but Carlos Santana is not the songwriter.

When I come home, baby, My house is dark and my pots are cold. You hang around, baby, With Jean and Joan and-a who knows who. I'm getting tried of waiting and fooling around. I'll find somebody who won't make me feel like a clown. This can't go on, Lord knows you got to change.
