

Leather & Lace

Words & Music:
Stevie Nicks

D G D
Is love so fragile and the heart so hollow?
G D Asus4 A
Shatter with words impossible to follow.
You're sayin' I'm fragile, I try not to be.
I search only for something I can't see.

I have my own life and I am stronger than you know.
But I carry this feeling, when you walked into my house,
That you won't be walking out the door.
Still I carry this feeling, when you walked into my house,
That you won't be walking out the door.

CHORUS:

G A G A
Lovers forever, face to face.
My city, your mountains, stay with me stay.
I need you to love me, I need you today.
Give to me your leather, take from me my lace.

You in the moonlight, with your sleepy eyes,
Could you ever love a man like me?
And you were right, when I walked into your house,
I knew I'd never want to leave.

Sometime, I'm a strong man, sometimes cold and scared.
And sometimes I cry.
But that time I saw you, I knew with you to light my nights.
Somehow, I'd get by.

CHORUS:
