Order the New Acoustic Guitar Fingerstyle Method

The guide to learning
the fingerstyle
techniques of
American roots music

The Acoustic Guitar Fingerstyle Method by David Hamburger introduces you to the two most essential fingerstyle approaches for playing American roots music: Travis picking and the steady-bass style. In each lesson, you'll learn new techniques, concepts, and chord voicings along with ways to practice and get them under your fingers. Then you'll use what you've just learned to play a classic song or solo break from the blues, ragtime, folk, and country traditions. Whether you're a first-time fingerstylist who's studying with a teacher or on your own, *The Acoustic Guitar Fingerstyle Method* gives you the detailed, comprehensive instruction you need to improve your skills. Practice by playing along with the included CDs. \$24.95, 80 pp., Book and two CDs, 9" x 12", HL00331948

Guitarist, songwriter, and composer DAVID HAMBURGER has appeared at MerleFest and the Kerrville and Philadelphia folk festivals, toured with Joan Baez, and performed with Tony Trischka,
