

# I Love You Because

Words & Music:  
Leon Payne (1949)

I love you because you understand, dear, every single thing I try to do.

You're always there to lend a helping hand, dear.

I love you most of all because you're you.

No matter what the world may say about me,

I know your love will always see me through.

I love you for the way you never doubt me,

But, most of all, I love you 'cause you're you.

I love you because my heart is lighter, every time I'm walking by your side.

I love you because the future's brighter, the door to happiness is open wide.

No matter what may be the style or season,

I know your heart will always be true.

I love you for a hundred thousand reasons,

But, most of all, I love you 'cause you're you.
