

One Sunny Day

Words & Music:
Danny Kirwan.

Help me, baby. Help me take my blues away
Help me, baby. Help me take my blues away
Wake up one morning, feel good one sunny day

Times I've wondered why it is a lonesome day
Times I've wondered why it is a lonesome day
I see you walking, see you walking away

All I want from you is more than I can do.
There's one thing that I know: I'll never let you go.
Although the people say I shouldn't treat you this way.

Help me, baby. Help me take my blues away
Help me, baby. Help me take my blues away
Wake up one morning, feel good one sunny day

All I want from you is more than I can do.
There's one thing that I know: I'll never let you go.
Although the people say I shouldn't treat you this way.

Help me, baby. Help me take my blues away
Help me, baby. Help me take my blues away
Wake up one morning, feel good one sunny day
