GAME:

VERSION ONE:

- All stand in a circle with hands joined and arms held high to form the "windows".
- One person weaves in and out of people in the circle, going under the joined hands during verse 1.
- During verse 2, this person stands in front of someone else in the circle.
- This person takes the place of the original "weaver".

VERSION TWO:

- Same as version one, except that after the "weaver" chooses a partner, they both go around the circle during the next round.
- Then, each partner chooses a new partner (total of four) for the third round.
- Continue in such fashion until no one is left!
