

White Summer  
 (Yardbirds' version)  
 Music: Traditional  
 Tab: Danny Schoknecht

Notes on the TAB: I searched forever to find a Yardbirds version of this TAB, but all I could find were Led Zeppelin versions, so I hope that I'm helping some people out. I tabbed this out without the help of another tab or book...Jimmy is using finger picks (including thumb), plus he is playing an acoustic guitar with an unwound G string, that is why it sounds so twangy. The tuning is: D A D G A D (low to high) Good luck!

h - hammer on	p - pull off	<12>- natural
p - pull off	/ - slide up	harmonic
b - bend string up	\ - slide down	v- vibrato

Special thanks to Jimmy Page, without him, this TAB never would have happened. Any corrections are welcome: Danny Schoknecht:Iamawesome456@aol.com
