```
D
                     D/C
All that you touch, all that you see,
Bb
All that you taste, all you feel,
All that you love, all that you hate,
All you distrust, all you save,
All that you give, all that you deal,
All that you buy, beg, borrow or steal,
All you create, all you destroy,
All that you do, all that you say,
All that you eat, everyone you meet,
All that you slight, everyone you fight,
D
All that is now, all that is gone,
                                               D
All that's to come and everything under the sun is in tune.
D/C
                  Bb
But the sun is eclipsed by the moon.
The Bb is, technically, Bb6#11 and is fingered either:
X 1 3 0 3 0 or the same fingering, but on the 13^{\rm th} fret (one octave higher)
You can sub the straight Bb chord, if you need to.
