A5 [etc.]

I'm travelin' down the road & I'm flirtin' with disaster.  
I've got the pedal to the floor & my life is running faster.  
I'm out of money, out of hope, it looks like self-destruction.  
Well, how much more can we take with all of this corruption?

PRE-CHORUS:

B5                    Bsus4   B5            Asus4   A5        B5  
We're flirtin' with disaster, y'all know what I mean.  
And the way we run our lives, it makes no sense to me.  
I don't know about yourself or what you want to be, yeah.  
When we gamble with our time, we choose our destiny.

CHORUS:

D5                    A5                    B5  
I'm travelin' down that lonesome road.  
D5                    A5                    B5    *[Riff A]*  
Feels like I'm dragging a heavy load.  
D5                    A5                    B5  
Yeah, I've tried to turn my head away.  
D5                    A5                    E5  
Feels 'bout the same most every day.

INTERLUDE: *[half-time feel]* E5 D5 E5 D5  
*then Riff D a tempo*

Speeding down the fast lane, playin' from town to town.  
The boys and I been burnin' it up; can't seem to slow it down.  
I've got the pedal to the floor, our lives are running faster.  
Got our sights straight ahead, I ain't sure what we're after.

PRE-CHORUS: & CHORUS:

INTERLUDE: *[play Riff C 3x]*
