I Melt With You

Words & Music: Modern English

C F

Moving forwards, using all my breath.

Making love to you was never second best.

I saw the world crashing all around your face.

Never really knowing it was always mesh and lace.

CHORUS:

I'll stop the world and melt with you. You've seen the difference and it's getting better all the time. There's nothing you and I won't do. I'll stop the world and melt with you.

(We should know better) Dream of better lives, the kind which never hate.

(We should see why) Trapped in a state of imaginary grace. (We should know better) I made a pilgrimage to save this human's race. (We should see why) Never comprehending the race had long gone by.

CHORUS:

Em G C Am Em G C Am
The future's open wide

CHORUS:

The future's open wide

C F C F

Mm-mm-mm. Mm-mm-mm. Mm-mm-mm. Mm-mm-mm.

CHORUS:

I'll stop the world and melt with you. (Let's stop the world!) I'll stop the world and melt with you. (Let's stop the world!)
