

# I'd Love To Change The World

Words & Music:  
Alvin Lee (Ten Years After)

Em G Am C B7 [2x]

Em G Am  
Everywhere is freaks and hairies, dykes and fairies,  
C B7 Em G Am C B7  
Tell me where is sanity  
Tax the rich, feed the poor,  
'Til there are no rich no more.

CHORUS:

Em G Am C B7  
I'd love to change the world, but I don't know what to do.  
So, I leave it up to you.

Population keeps on breeding, nation bleeding,  
Still more feeding, economy.  
Life is funny, skies are sunny, bees make honey.  
Who needs money? Monopoly.

CHORUS:

World pollution, there's no solution,  
Institution, electrocution.  
Spread the word, rich or poor,  
Them and us, stop the war.

CHORUS:
